

Notice of Motion

Date: May 16 2016

Moved by: Councillor Brenner

Seconded by: Councillor McLean

Whereas matters of rail safety is a priority to Transport Canada under the *Railway Safety Act*

And

Whereas it is illegal to be on any railway property without lawful authorization under the *Railway Safety Act*

And

Whereas the Lakeshore CNR runs abutting to the populated urban area of Pickering

And

Whereas sections between Whites Road and Liverpool lack any form of fencing that would prevent access onto the rail lines

And

Whereas sections of rail west of Liverpool Road along Bayly are less than 3 metres from both pedestrian sidewalks and bus stops

And

Whereas the lack of fencing poses a risk to public safety to the residents of Pickering

Now therefore be it resolved that the City of Pickering request Transport Canada direct CN to erect chain link fencing along the entire CN Corridor abutting Bayly between Whites Road east to Liverpool

And Copies of this motion be forwarded to Minister (not sure who it is responsible for Transport Canada and MP Jennifer Oconnell.
